

23rd SETAC Europe LCA Case Studies Symposium

Consequential LCA for Decision Support

27–28 November 2017 | Barcelona, Spain

Organised in cooperation with the International Life Cycle Academy

Sponsorship and Advertising Options

Show your brand as supporting the leading edge of LCA science

As a sponsor of the 23rd SETAC Europe LCA Case Study Symposium you will have a unique option to show your brand in the context of case studies by leading scientists in the field of LCA for science-based decision-making.

The event

The event over two days, 27–28 November in Barcelona, brings together business experts, policy makers and researchers from all over the world. Two days of exchanging experiences and learning of new developments within consequential LCA for decision making and its application in business practice, environmental product declarations, due diligence, social responsibility, environmental management & policy development.

About SETAC and SETAC Europe

The Society of Environmental Toxicology and Chemistry (SETAC) provides a forum where scientists, managers, and other professionals exchange information and ideas for the development and use of multidisciplinary scientific principles and practices leading to sustainable environmental quality. SETAC has currently about 6000 individual members and institutions from academia, business and government and is implementing its mission worldwide.

SETAC Europe is one of five Geographic Units (GU) of the global Society, established to promote and further the mission of SETAC in Europe, the Middle East and Russia.
